Behaviour Policy

September 2020

Rationale

At Westhoughton High School we **LEARN:**

> **L**ook after each other
> **E**njoy our school
> **A**im high
> **R**espect ourselves, each other and our environment
> **N**ever stop learning

These core values underpin our expectations of all members of our school community at all times. It is vital that we work together to create a safe, stimulating, friendly and caring environment in which everyone can flourish, be happy and achieve their full potential. By setting high standards and promoting positive behaviour for learning we aim to develop each individual's sense of responsibility and encourage them to consistently make the best choices to impact positively on their own progress and that of those around them.

This policy will be communicated regularly to all school stakeholders to ensure that it is implemented consistently and fairly. It will be reviewed at regular intervals. Copies of the policy are available upon request and can also be found on the school website. This policy explicitly operates in conjunction with the following school policies:

- Anti-Bullying Policy

- Safeguarding and Child Protection Policy

- Special Educational Needs and Disabilities (SEND) Policy

- Exclusion Policy

- Drug and Alcohol Policy

- Physical Intervention and Physical Search Policy

Our Partnership Agreement

At Westhoughton High School we believe our students are more likely to achieve their potential if we work in a collaborative manner with all stakeholders. RESPECT TO LEARN (R2L)

"Rights and Responsibilities must go hand-in-hand. All students have a right to learn and all teachers have a right to teach"

As outlined in our core values, at Westhoughton High School we expect everyone to consistently show respect for themselves, each other and their learning environment. The R2L code outlines a clear set of guidelines so that students know exactly what learning behaviours are expected of them and can identify how they can participate positively as members of our school community. The code also outlines exactly what consequences are applied should they choose to behave badly or not engage appropriately with their learning.

The Respect to Learn Code aims to:

- *Create a safe, positive work ethos in every lesson and, in doing so improve the quality of teaching and learning*
- *Teach personal responsibility for learning behaviours, actions and respect for others by instilling self-discipline*
- *Ensure consistency of approach to behaviour for learning across the school*

Students at Westhoughton High School are expected to present at school ready to LEARN.
At all times students should:
- *Wear their uniform correctly, according to our uniform code*
- *Display behaviour which is considerate to others and shows tolerance and respect.*
- *Use mobile phones only with explicit permission of staff for specified activities*

In the classroom all students should:
- *Arrive on time*
- *Be prepared and properly equipped to engage in the lesson. We expect all students to have their own basic equipment with them each day (pen, pencil, ruler, eraser, gluestick, rounded scissors, highlighter, coloured pencils, calculator and basic maths kit).*
  Follow SLANT routines (Sit up, Lean forward, Ask questions, Note key information, Track the speaker)
- *Raise a hand to speak. Be respectful of the feelings of others when working in groups. Take turns*
- *Follow staff instructions.*
  Stay on task.
  Complete classwork and homework to the best of their ability

Around School, all students should:
- *Walk quietly and calmly in the corridors and behave in a sensible manner around stairways etc.*
  Follow one-way systems and respect out of bound areas
- *Keep the school clean and tidy*
- *Only eat in agreed eating areas*

On the way to and from school, all students should:
- *Ensure they behave in a positive and mature way in the local community, showing respect for others and the wider community which we are a part of.*

Rewarding students

We believe that it is vital that we create a positive ethos and a climate of success in our school. We aim to recognise and celebrate all achievement inside and outside our learning community.

Public and personal praise and reward should be credited to students who have: -

- *Fully engaged in the learning and have tried their best*
- *Produced an excellent piece of work*
- *Consistently made good effort with several pieces of work*
- *Participated in a special event*
- *Participated fully or actively in school life*
- *Achieved in out-of-school activities*
- *Achieved an excellent level of attendance*
- *Shown particular care towards others*
- *Demonstrated appropriate behaviour towards the school environment*

Students who fully engage in learning/school life will be awarded merits by staff through the School Synergy system. Merits will be collated and additional rewards will be awarded at regular intervals, these could include:

- *Praise and recognition from staff*
- *Positive comments or stamps in planners*
- *Display of work or photographs*
- *Postcards of praise*
- *Positive telephone calls or letters home*
- *Certificates of achievement for classwork or attendance / recognition in Assemblies*
- *Merit badges and accompanying prizes*
- *Prizes at Presentation Evening*

CLASSROOM OPERATING STANDARDS

*All staff will endeavour to ensure a consistent approach as we believe that this will both support student development and create the positive ethos required to motivate and engage students. **Wherever possible**, all staff follow the guidance below: -*

At Start of lessons our staff will:
- *Be at the door to greet the class.*
- *Check students are wearing their uniform correctly and follow up as appropriate*
- *Give students clear instructions to enter the room quietly, get out anything they may need for that lesson and stand quietly behind their allocated chairs or stools*
- *Greet the class, wait for a response and ask them to sit*
- *Inform all students of the learning objectives for that lesson right at the start, with appropriate links to prior learning*

During the lesson our staff will:
- *Reinforce appropriate behaviours by giving positive praise and awarding merits*
- *Ensure Respect to Learn code rules are followed at all times, insisting on a high level of engagement with learning*
- *Reinforce the classroom SLANT student expectation around behaviour for learning.*
- *Insist that hands are raised and that students wait until they are invited to speak before they answer or ask a question*
- *Ensure anyone chewing empties his/her mouth immediately*
- *Ensure that all students are aware of the amount of work they are expected to complete during the lesson and give time checks as appropriate*
- *Set work for students so that they are enthused and challenged, stimulated and stretched academically*
- *Use a variety of teaching methods and tasks to interest and motivate students.*
- *Set homework regularly*
- *Return marked work promptly, with effective assessment indicating how a student can improve in the future*

At the end of the lesson our staff will:
- *Bring the lesson to a close by leading a plenary session to revisit and confirm the learning that has taken place*
- *Ensure any homework set has been recorded*
- *Ensure students pack away promptly in an orderly fashion when they are instructed to do so*
- *Instruct students to leave the classroom in an orderly and disciplined manner*

Consequences

All behaviour has consequences attached. We choose our behaviour and so must accept the consequences of our choices, staff will be encouraged to use the language of choice for students. In all areas of school life our expectations of students are consistent and any inappropriate behaviour will always be challenged by staff school and will be dealt with promptly. A firm and fair approach by all staff is expected at all times to ensure high standards of behaviour across our school. We recognise that some students may require additional support to understand and follow expectations and will work collaboratively with individuals to ensure that they have every opportunity to engage positively in school life.

Consequences for a student making poor choices in class

C1 • Warning and rule reminder– a 'chance'

C2 • Action – determined by teacher. Student conference plus other action which could include detention 30 minutes after school. Parents informed.

C3 • Support call initiated. Student will be spoken to outside of the classroom. Student may need to be removed from the lesson and sent to work in another class or in extreme cases to work in a reflection space. Student Support Team or class teacher will contact parents/carers to discuss further. Any detention previously issued may still stand.

All staff will operate this system so that we are consistent in our application of the classroom learning rules. Staff will be trained and encouraged to focus on de-escalation wherever possible. Behaviour will be tracked by the Student Support and Student Progress Leaders for each year cohort. Where there are patterns of poor behaviour choices staff will work with individual students to put in place additional interventions such as report card monitoring, restorative practice work or additional behaviour support. Our focus will be on encouraging students to reflect on the impacts of their behaviour on themselves and others and on equipping them with strategies to make more positive choices in the future.

Serious incidents

Student behaviour that will not be tolerated at Westhoughton High School includes the following:

- Unsafe or dangerous behaviour
- Abusive or violent behaviour
- Making other people unhappy (including bullying, sexism, homophobia or racism or any lack of respect for the person or their property)
- Bringing the school into disrepute. This may include instances of poor behaviour whist travelling to or from school or on school trips etc.

These actions may require a member of staff to take serious and immediate action to remove a student from class by logging a support call (C3). Physical intervention in response to dangerous or abusive behaviour will only be used as a last resort and will take place as outlined in the physical intervention and search policy. Persistent disruption of learning in classes will not be tolerated and will lead to serious consequences. This may include the use of a reflection space or, in extreme cases, lead to a period of fixed term exclusion from our school (see Exclusions Policy). The school will work with other local agencies to assess the needs of students who display continuous disruptive behaviour.

Prohibited items

The following items are not permitted to be brought onto school site by students. Staff members may use their power to search without consent for any of the items listed above as outlined in the Physical intervention and Physical search policy.
Fire lighting equipment: Matches, lighters, etc.

Drugs and smoking equipment:

- Cigarettes
- Tobacco
- Cigarette papers
- Electronic cigarettes (e-cigs)
- Alcohol
- Solvents

- Any form of illegal drugs
- Any other drugs, except medicines covered by the prescribed medicines procedure

Weapons and other dangerous implements or substances:

- Knives
- Razors
- Catapults
- Guns (including replicas and BB guns)
- Laser pens
- Knuckle dusters and studded arm bands
- Pepper sprays and gas canisters

- Dangerous chemicals

- Other items:
    - Caffeinated energy drinks
    - Offensive materials (i.e. pornographic, homophobic, racist, etc.)
    - Aerosols including deodorant and hair spray

Recording pupil behaviour

All rewards and consequences will be logged electronically on the School Synergy system as part of the individual student record. Where a serious behaviour incident has occurred an investigation will be conducted promptly and supporting statements/witness accounts will be collated and stored as appropriate. Incidents involving bullying or harassment of any kind will be dealt with as outlined in the school anti-bullying policy.

Partnership working

Westhoughton High school is committed to multi agency working and works with other partners in order to secure best outcomes for our young people and families. This may include a multi-agency assessment if it is deemed necessary to meet a child's needs using the Early Help Assessment (EHA). Where a child has additional needs that are impacting on their behaviour we will ensure effective support plans are developed which incorporate the services of external agencies where required.

Our local Police Community Support Officer (PCSO) works within the school. As well as maintaining the safety of students and staff on the school site and surrounding area, this partnership aims to provide help for young people in dealing with situations that may put them at risk of becoming victims of crime, bullying or intimidation. Our PCSO can also provide support to those who have become victims. In addition, our

PCSO will also support school to improve standards of student behaviour and attendance, as well as promoting more positive relations between young people and the Police and wider community.

Our PCSO links with our Integrated Working Officer (IWO) and the wider Student Support Team. This work may be linked to improving student behaviour or student mediation, reparation or restorative justice work. If students are spoken to in school, then this will be in the presence of school staff. Parents will be informed that the meeting will take place where ever possible and may attend if they wish to do so or will be informed that the PCSO has seen their child with a member of staff.

REFLECTION

If a student persistently disrupts learning and makes poor choices about behaviour it may be necessary to re-enforce appropriate behaviour for learning through intervention strategies. In such cases, an appropriate action may be to refer a student to a reflection space in school where they will be isolated from their peers for a determined period of time. Planned reflection may also be used as a sanction for any serious incident, or as a stage before exclusion.

Objectives of Reflection

- To ensure that all our students are equipped with appropriate behaviour for learning strategies and make positive choices
- To provide students with the opportunity to reflect on their actions/choices
- To allow students to examine and formulate more appropriate ways of behaving and to appreciate that the current behaviour is not really providing satisfactory outcomes. The emphasis should be upon making the correct choice
- To provide the school with a productive sanction to impose after a student's negative behaviour has demanded a follow-up response
- To indicate to parents that a disciplinary sanction has been provided which is an alternative strategy to fixed term exclusion

Advance Referrals
Advance referral placements to reflection will be as a result of:

- Persistent disruptive behaviour evident in C3 logs or more serious misbehaviour around or to and from school
- Persistent uniform infringements
- Persistent failure to comply with school sanctions or to respond to intervention strategies to improve behaviour
- Any serious incident of poor behaviour

Advance placements will involve a meeting with parents/carers to discuss ongoing behavioural issues and seek parental support. Advance referrals to reflection may result in a modified school day for the student with a later start and later finish to accommodate a parental meeting. Whilst in Reflection a student will be supervised during break and lunchtime periods. They will be expected to engage with learning activities and to complete restorative work as appropriate.

Daily Referrals

Daily referral placements to Reflection will be as a result of misbehaviour in a lesson/day where it is inappropriate for a student to return to immediate classroom learning such as:

- Verbal or physical abuse
- Physical aggression
- Persistent disruptive behaviour
- Persistent refusal to follow instructions and persistent refusal to engage with learning

In these cases, parents/carers will be involved in discussion with student support staff as soon as practicable. Reflection may also be used whilst an incident is being investigated pending a definite decision on the appropriate level of sanction. Any incident referrals will be recorded in the student's file. All referrals to Reflection are tracked and monitored.

Behaviour re-tracking and off site seclusions

Students may also be referred to Youth Challenge Pupil Referral Unit for a short term period for behaviour re-tracking, or in extreme cases as an alternative school provision to Westhoughton High School. Students may also be referred to another school locally for a period of off-site seclusion. This measure would be used only in extreme cases and as an alternative to a fixed term exclusion being issued, and would always be in consultation with parents.

EXCLUSIONS FROM SCHOOL

Where there has been a one-off serious incident or repeated poor behaviour the school may use a fixed term or permanent exclusion as a sanction. Please refer to the school exclusion policy for more information.

Appendix 1 - Respect to Learn – Staff Guidelines

At Westhoughton High School we:

Look after eachother
Enjoy our school
Aim high
Respect ourselves, eachother and our environment
Never stop learning

These core values underpin our expectations of all members of our school community at all times. It is vital that we work together to create a safe, stimulating, friendly and caring environment in which everyone can flourish, be happy and achieve their full potential. By setting high standards and promoting positive behaviour for learning we aim to develop each individual's sense of responsibility and encourage them to consistently make the best choices to impact positively on their own progress and that of those around them.

This document – to be read in conjunction with the Respect to Learn (R2L) policy- is designed to give additional support and guidance to staff to enable them to successfully promote a positive culture where all students can thrive and achieve their full potential by making the most appropriate personal choices in their conduct.

The guidance in this document should be applied consistently and professionally. As much as possible students should be given opportunities to reflect upon their choices, to re-engage with their learning and to restore relationships with their peers and staff. This restorative approach is the basis of genuine and sustained behavioural change for individuals and should be the starting point of any action or sanction in response to negative behaviour choices by students.

This is a working document and will be regularly updated in response to presenting issues and the sharing of good practice amongst colleagues. Behaviour management strategies and the promotion of positive working climate will form a regular part of continuing professional development in school.

Negative choices
In class behaviour

The examples of behaviour given here are demonstrative of the level of severity and are not designed to be a prescriptive list. Staff will need to exercise professional judgement at all times when applying sanctions. As with all behaviour choices there will be a context to the situation including preceding events and people involved which will need to be carefully considered.

C1 Negative Behaviour
These behaviours are examples of choices which should be managed at the classroom teacher level. At a C1 level the action/sanction should initially be a warning which may be verbal or may include a note/sticker in exercise book/planner to raise the issue with parents. The warning may also take the form of issuing a new deadline for the completion of work or homework. **C1 actions are managed by the class teacher and do not need to be formally recorded on wider school systems.**

Examples
Chatting
Shouting out
Distracting others
Not following instructions
Lateness to lesson
Leaving seat without permission
Inappropriate comments
Chewing
Rocking on chair
Drinking or eating
Incomplete homework
Poor work rate through lack of commitment/effort
Uniform issue –e.g. shirt out
Lack of equipment

Strategies for teacher to minimise C1 behaviour
Having clear and consistent routines and expectations
Fixed seating plan directed by teacher
Knowing pupils and needs well and tailoring activities
Meaningful starts to lessons – pupils on task straight away
Refocusing
Countdown/wait time
Verbal and non-verbal praise
Focus on primary behaviour
Take up time following instructions
Tasks set to appropriate level of challenge

Actions/Sanctions for C1 behaviour
Student conference/verbal warning
Move seat – if appropriate
Alternative deadline to catch up missing work
Note to parent – planner/synergy

C2 Negative behaviour

These behaviours are examples of choices which should still be managed at the classroom teacher level but which require more robust tracking and an action/sanction as a consequence. At C2 level the behaviour should be recorded on School Synergy along with the action/sanction chosen by the teacher. The action can be additional work/restorative conversation/parental contact/detention. C2 behaviours will be tracked by curriculum staff (LOLs) and the student support team (SSLs and SPLs) to enable wider intervention where patterns of behaviour emerge.

Examples

Repeated disruptive behaviour despite C1 warning (chatting, shouting out, distracting others)
Repeated refusal to follow staff instructions.
Repeated lateness to lesson
Sustained poor quality classwork due to lack of effort
Repeated equipment issues

Strategies for teacher to minimise C2 behaviour
Having clear and consistent routines and expectations
Revise seating plan regularly
Knowing pupils and needs well and tailoring activities
Meaningful starts to lessons – pupils on task straight away
Refocusing
Countdown/wait time
Verbal and non-verbal praise
Diffusion with humour
Focus on primary behaviour
Take up time following instructions
Tasks set to appropriate level of challenge
Fresh starts following previous issues
Clear explanations about possible next steps
Solution focused approach
Take time to investigate for underlying reasons for behaviour choices
Seek advice from other staff who teach/know the student well

Actions/Sanctions for C2 behaviour
Student conference/restorative action
Move seat – if appropriate
Alternative deadline to catch up missing work
Note to parent – planner/synergy
Phone call to parent
After School detention – 30 mins
Referral to targeted intervention/catch up session
Referral for report card

Around school behaviour
C1 Negative Behaviour

These behaviours are examples of choices which should be managed by the intervention of any member of staff in school. At a C1 level the action/sanction should initially be a warning which may be verbal or may include a note/sticker in planner to raise the issue with parents. C1 actions are managed by the member of staff and do not need to be formally recorded on wider school systems.

Examples
Running on corridor
Not following one way system
Noisy behaviour near to teaching spaces
Poor language choices when speaking to peers
Dropping litter
Minor uniform issues -e.g. shirt out
Mobile phone out but not being used

Strategies for staff to minimise C1 behaviour
Having clear and consistent routines and expectations
Staff being present on corridors during lesson cross over times
Staff being on time to allocated duties
Staff knowing pupil names and using them regularly
'Catch them being good' overt praise for positive choices
Staff acting as role models (one way systems/picking up litter)

Actions/Sanctions for C1 behaviour
Student conference/verbal warning
Reminder of rules/safety guidelines
Asking pupils to repeat action in correct manner i.e. walk down corridor
Asking students to pick up litter
Asking students to put phone away
Referring to signage with reminder of the rules
Facilitating an apology if behaviour has been disruptive or disrespectful

C2 Negative Behaviour

These behaviours are examples of choices which should be managed by the intervention of any member of staff in school. At a C2 level the consequence of the behaviour will require an action/sanction. C2 behaviours need to be logged on School Synergy along with the resulting consequence. C2 logs will be tracked by student support team (SSL/SPL) to monitor for repeated behaviour requiring further intervention.

Examples
Out of bounds in school
Failure to follow direct instructions from staff
Overt use of mobile phone
Failure to rectify minor uniform issues
Repeated C1 behaviour despite warning
Misuse of school property

Staff being present on corridors during lesson cross over times
Staff being on time to allocated duties
Staff knowing pupil names and using them regularly
'Catch them being good' overt praise for positive choices
Staff acting as role models (one way systems/picking up litter)
Clear and fair explanation when C1 behaviour occurs to prevent escalation

Actions/Sanctions for C2 behaviour
Student conference/restorative action

Referral for report card
Facilitating an apology if behaviour has been disruptive or disrespectful
Note to parent – planner/synergy
Phone call to parent

C3 Behaviour – in class and around school

This level of behaviour represents a single serious incident or high level disruptive behaviour. C3 incidents can be reported by any member of staff but further intervention will be required, a consequence will be applied and parents will be informed as soon as possible after the incident has occurred. C3 incidents must always be logged and may require additional statements from staff/students. Within the C3 category some sanctions may only be authorised by a member of SLT or in the case of exclusion by the Headteacher/Deputy Headteacher. C3 incidents will always require follow up which may range from reflection and restorative action to a modified curriculum offer and targeted behaviour intervention/support

Examples
Truancy
Smoking
Bringing prohibited items onto school site
Deliberate infringement of uniform code – dyed hair/false nails
Verbal or physical aggression to staff
Verbal or physical aggression to peers

** Can only be authorised by DHT/HT
***Can only be authorised by HT

When to record a behaviour incident on School Synergy

For C1 incidents there is no requirement to add the incident to the formal student record on School Synergy. If you do feel that you verbal warning should be logged for information then on most of the low level behaviours there is a C1 outcome – please note there is no sanction available for this and it carries no negative points. If the behaviour needs an outcome it must be logged as a C2/C3.

If a student's behaviour reaches C2 level you should record it formally on School Synergy – this includes the option to schedule a 30 minute after school detention if required (see guidance below). You should choose the most appropriate behaviour type to match the incident. Actions taken other than detention can be recorded in the comments section. Please be aware that parents are able to view the external comments if you want to give additional detail about what happened.

If a student's behaviour reaches C3 level you should record it formally on School Synergy – this includes the option to schedule a 30 minute or 60 minute school detention if required (see guidance below). In the event of serious behaviour incidents the C3 log may be supported by an additional investigation and reporting statements. Please note that planned reflection/exclusion must only be recorded as an outcome by SLT.

How to record a behaviour incident on School Synergy

1) Firstly select the student(s) you wish to record behaviour for. In a teaching group this can be done simply by clicking the small squares at the top of your register – select add behaviour and then you can select the student(s) required.
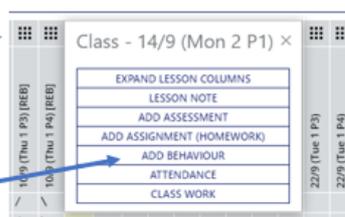

Or you can select the student name from your class list or search for the student name by using the student/groups from the dashboard and then click on 'Behaviour' and Add New Behaviour'

2) Choose Reward or Consequence
3) Choose the most appropriate category of behaviour
4) Choose the most appropriate type of behaviour
5) Choose the most appropriate type of outcome for the behaviour
6) Add an external comment if you instantly wish to give the parent more detail about the incident
7) Add an internal note if you wish for any other staff to have additional information about the incident – please be mindful to maintain professional language/tone at all times with these comments. Whilst they will not be automatically communicated home they do still form a part of the student record and therefore could be viewed by other professionals and could form part of a subject access request where school is required to show all records held about a student.
8) For C2 and C3 negtaive incidents you are able to schedule a detention at this stage if that is the most appropriate outcome. – **Remember to save the behaviour**.

SSL/SPL teams along with LOLs and SLT regularly monitor incidents throughout the day. It is important to try to record a behaviour incident as quickly as possible after it has happened.

How to schedule a detention on school synergy

In order to support the current arrangements to enable school to be COVID secure all detentions are now centralised for each year group. They will take place each Tuesday and Thursday after school in year group zones. Staff will be placed on a rota to supervise after school detentions.

When you record a negative C2 or C3 behaviour incident you will have the ability to schedule a detention. You should choose the next available Tuesday or Thursday slot. If an incident takes place on a Monday afternoon, Tuesday or Wednesday it should be scheduled for Thursday afternoon (or the following week if the student is unavailable due to existing detentions.) If an incident takes place on a Thursday, Friday or on Monday morning it can be scheduled Tuesday afternoon.

Please make sure the student is aware that you are placing them on detention.

30 minute detentions can be scheduled for 3.10-3.40 and then from 3.40-4.10. The second timeslot should only be used if the first is unavailable due to the student already having a scheduled detention.

WHERE IT SAYS TEACHER/GROUP IT IS IMPORTANT THAT YOU SELECT THE YEAR GROUP DETENTION INSTEAD OF YOUR OWN NAME TO ENSURE THE STUDENT IS ADDED TO THE CORRECT DETENTION REGISTER. YOU CAN FIND YEAR GROUPS BY SCROLLING TO THE TOP OF THE BOX.

Each member of teaching staff will have 1 detention slot to supervise per half term – this will be with the year group bubble they predominantly teach. The detentions slot is from 3.10 – 4.10. The member of teaching staff will be supported by the SSL/SPL team and if needed by members of SLT.

1) Select Reward or Consequence

2) Choose category of behaviour

3) Choose type of behaviour

4) Choose outcome – Planned reflection and Exclusion must only be used by SLT

5) Add more detail in a comment if required.

6) Add detail to be viewed by other staff.

7) Choose the length, time and date of the detention (Must be a Tuesday or Thursday). **Do not select next available date.**

8) **Select the correct year group detention instead of your own name.**

9) Save behaviour
