

Coping with change

Was it the same in your day?

Together make up the question template on the next page.

You can start by using the one we have printed for you, but you might want to make your own and ask some different questions...

Once you have made your game play it with older members of your family... Mum, Uncle, Grandma...

What was it like when they went to secondary school? What do they remember? ...any surprises?

To make your puzzler...

1. Cut out the Puzzler square.

Fold and crease the square along each diagonal. Open it out and lay it flat.

2. Turn the square over so that the writing is on the back. Fold all four corners into the centre.

3. Turn the square over again (with the flaps facing down). Fold the four corners into the centre again.

4. Fold the square towards you in half.

5. Push the top corners towards the centre

6. Open out the top flaps.

Put one finger or thumb in each of the four compartments - this will allow you to operate the puzzler.
