

Dear Parent/Carer,

As part of the continuing support to our year 11 cohort in the run up to the examination season, the school is providing invaluable opportunities over the coming Easter Holidays for extra revision sessions and guidance. The sessions will commence on Tuesday 2nd April and will run over the whole Easter vacation, they will consist of a number of subject areas and various activities ranging from Walking Talking Mocks, bespoke targeted revision, and fully open sessions across a range of subject areas conducted by teaching staff. In addition, there will be a place for students to come and complete independent study on all but one of the days in a staffed classroom that also has access to the school network and computer systems.

The Mid-Week Special after School Coaches will also be available in school to offer their intuitive coaching, mentoring, and tutoring specialties throughout the two-week period. Having completed their GCSE studies recently they possess an overview that is priceless in terms of supporting other young individuals in excelling and gaining the best outcomes possible.

The timetable for the two-week period is attached to this message and will also be publicized on our social media/website, and shared with students.

In this regard I would urge your child to take advantage of these invaluable opportunities by attending as many of the sessions as they can as we approach the summer examination period.

Many thanks in advance for your support. If you have any questions at all, please do not hesitate to get in touch.

Yours faithfully

Mrs J Benigno
Deputy Headteacher

Dr C Atherton
Associate Assistant Headteacher
