

# GEOGRAPHY TIMELINE

YEAR 8

YEAR 10

A brief overview of what students study from Year 7 - 11

YEAR 7

What Geographers Do?  
Weather and Climate  
Map Skills  
Rivers and Flooding  
The UK  
UK Ecosystems

Africa  
Rainforests and  
Biomes  
Tectonic Hazards  
China  
Coasts  
Deserts

YEAR 9

Resource Management  
Cool World  
Climate Change  
Manchester  
Conflict & Borders  
Sustainable School Project

UK Physical  
Landscapes: Rivers  
Challenge of Urban  
Environments  
Living World  
Human Fieldwork:  
Salford Quays  
Regeneration  
UK Physical  
Landscapes: Coastal  
Environments  
Physical Fieldwork:  
Lytham Dune  
Vegetation  
Succession

YEAR 11

Changing Economic World  
Hazards  
Resource Management  
Issues Evaluation
