

**KS3 home learning
weekly timetable 2025-2026**

Subject	Expected time to complete
English	30 minutes
Maths	30 minutes
Science	30 minutes
Geography	20 minutes
History	20 minutes
MFL	20 minutes

Home learning expectations:

The expectation is that learners use the knowledge organisers to complete the home learning and to self-quiz if no official home learning is set. By regularly self-quizzing, learners will become more independent learners and develop good learning habits.

The library is open before and after school (not Wednesday or Friday after school). Learners may also be directed to and or are welcome to attend the Mid-Week Specials after school on Wednesday.

**All home learning will be set with a timely deadline and will be recorded on Arbor.
Teachers will record on Arbor if this has been completed on time.**
