

Paradise Lost

KNOWLEDGE ORGANISER

1. Rationale

Tourism is the world's biggest industry and an important aspiration in our daily lives. However, Tourists often destroy and change the very place they visit. Let us only leave footprints.

2. Key terminology

1. Ecotourism	Involves protecting the environment and the way of life of local people
2. Extreme Environment	Difficult places for humans to live in or visit, often due to hostile climate
3. Fragile Environment	Place where wildlife and landscape are easily damaged by outsiders
4. Mass Tourism	Large numbers of visitors, often on package holidays with accommodation and travel included
5. Multiplier Effect	Spin-offs from one business growing, allowing other businesses to grow as well
6. National Park	Area set aside to protect landscape and habitats, managed to stop visitor damage
7. Stewardship	Entrusted to look after and manage places and areas
8. Domestic Tourism	Travelling within your own country
9. International Tourism	Travelling internationally
10. Butlers Life Cycle Model	Shows the life cycle of a holiday resort, where the resort or destination has peaked and will either go into rejuvenation or decline
11. Travel and Tourism	the temporary, short-term movement of people to destinations outside the places where they normally live and work, and their activities during their stay
12. Dark tourism	visiting places where some of the darkest events of human history have unfolded. That can include genocide, assassination, incarceration, ethnic cleansing, war or disaster — either natural or accidental.
13. Natural attractions	Major natural attractions such as mountains, rivers, forests, lakes and caves appeal to different types of tourists.
14. Weather	Weather and climate are important factors in tourists' decision-making and also influence the successful operation of tourism businesses..
15. Climate	Climate is the long-term average in a location whereas weather occurs at a specific time and destination

3. Case Studies

1. Blackpool	Britain's favourite place
2. Lake District	National Park
3. Las Vegas	The world's most popular resort
4. Pripyat	Site of the world's worst industrial accident

4. Command Words

1.	Describe and explain
2.	Assess and To what extent
3.	Justify
