

### Recovery Curriculum Plan

**Intent:** Through mapped allocation of spending - with clear links to the School Improvement Plan - additional funding for the Recovery Curriculum can impact the pastoral and academic needs of PPG students, building a provision that mitigates disadvantage and aims to recover lost opportunity and experience.

Teaching and Learning Priorities for 2021-22 linked to SIP	Recovery Spending Item(s) and Costing	
Implement the online learning delivery model that minimises opportunities for gaps in learning, ensuring students' daily diet is rooted in curriculum content and delivery with interventions in place <i>so that</i> no child is left behind.	Laptops for vulnerable groups Upgrade computers in library to aid breakfast club/break/lunchtime use of PCs accessed by vulnerable groups	£28,900 £6,950
Develop the use of evidence-based teaching and learning pedagogy choices, through the Appraisal Objective 3 Personal CPD, <i>so that</i> research leads the actions we take to increase the outcomes of key groups- PPG, SEND, MPA and HPA boys.	Staff CPD, learning walks and lesson observations IRIS Software Lead Practitioners (one year TLR)	£9,100 £13,633 £7,362
To coordinate leaders with intervention strategies deployed at different levels the Horsforth Quadrant model <i>so that</i> intervention guidance and strategies are clear at all levels, to empower teachers and leaders to intervene based on need, to shift progress and outcomes for key cohorts (PPG, boys, SEND, mid prior attaining).	Small groups in Learning Centre. Cost of additional Level 3 LSAs Intervention and rewards Learning Mentors in English and Maths	£72,288 £1,700 £69,388
Targeted Academic Support for 2021-22 linked to SIP	Recovery Spending Item(s) and Costing	
Development of targeted support programmes for specific cohorts <i>so that</i> maximise progress and attainment are maximised with improved focus on academic progress.	Learning Mentors as above Alternative Provision and Partnerships to avoid Permanent Exclusion	- £11,430
<b>Not on SIP:</b> to build experiential curriculum experiences with key cohorts <i>so that</i> opportunity and inclusivity for all are drivers in the curriculum, mitigating diminished cultural capital for our most disadvantaged.	Music Service Direct: offering free music lessons to PPG students Increased Curriculum-Based 'Bid Pot' for 2021-22 for one-off experiences and events Summer School wider inclusion in summer 2021	£11,000 £60,000 TBC
<b>Not on SIP:</b> increased pastorally-focused mentoring and intervention focused around mental health and resilience <i>so that</i> our most vulnerable have multiple layers of support pastorally as well as academic.	Staff PPA for Intervention and mentoring with PPG cohorts Mental Health Staff Training (MHFA) PCT, additional Behaviour Support Officer and ASDAN/DoE	£6,000 £3,000 £22,671
Wider Strategies for 2021-22 linked to SIP	Recovery Spending Item(s) and Costing	
Rewards and awarding of praise through merits/postcards are intrinsically tied to pastoral and curriculum <i>so that</i> positive culture and chasing gains dominates over sanction-led culture, ensuring positive engagement dominates the LEARN ethos.	5 Student Support Leaders and 1 Integrated Working Officer (% of PPG allocation) Intervention and rewards as above	£52,447 -
<b>Not on SIP:</b> additional provisions and expenditures to support families in need <i>so that</i> students and families feel our culture of care in times of hardships.	Partnership with Urban Outreach Foodbank and Hardship Fund – supporting families at most vulnerable Mental Health Resources / Resource Bus lockdown provision to vulnerable	£5,000 £5,000
<b>Not on SIP:</b> to build supportive relationships with PPG parents and increase use of Synergy accounts whilst offering financial support for additional uniform/revision guides/equipment and a range of resources via PPG parent wallet so that parents have financial barriers removed and build positive interactions with school.	PPG Wallet provision (£100 per student per year)	£35,700
