JOB

## CEIAG

CEIAG is to provide students with the opportunity to engage in a range of activities that will contribute to their knowledge and understanding of the world of work and the qualification pathways suitable for students' individual needs. Westhoughton High School is committed to not just fulfilling its statutory requirements in this area but providing for student exceptional support and guidance throughout their time at Westhoughton High School. The aim of CEIAG is to enhance the provision made to prepare students for the transition to the next stage of education, training or employment.
