All year groups Thursday 8th September 8.45am

Bugsy Malone

After weeks of rehearsals it was a delight (and a relief) that Bugsy Malone, this year's school production, was so well received by our audiences. The show ran from 12th -14th July. The cast and crew worked incredibly hard to perform five times over the week, with both cast and crew rising to the challenge. To be able to perform each show with the level of energy they did was outstanding, especially as so many of the cast were performing for the first time and our stage crew were new in role! A huge amount of work went into the production both from the students and the staff involved in the show.

The Performing Arts department would like to thank everyone for the time and effort that so many people put in to the show to make it the success that it was, and to give our students the amazing experience of live theatre in school. Already we are being asked about our next show and this will be revealed later in the autumn term. We'd also like to thank families and friends who came to support our cast, it was wonderful to see so many families at each performance and to end the show's run with a standing ovation.

Bolton Youth Environment Summit

Bolton Youth Environment Summit On Wednesday 29th June ten Year 10 students attended the Bolton Youth Environment Summit. While at the event students had the opportunity to listen to guest speakers including our own Isabel Mooney and Harry Brannagan, Bolton's Youth MPs. Students particularly enjoyed the dancing segment of the day and have gained valuable knowledge on how we can protect our environment!

Sporting Achievements

Students competed in the Bolton Town Athletics event in June, the following students received great places:

Jesse H - 1st in 1500m

Alani D - 1st in Shotput

Will J - 2nd in High jump

A massive well done to these 3 & all who took part!

During the Ironman weekend in Bolton, our very own Jack R in Year 9 won his 'Ironkids' race for his age group on Saturday 2nd July. Running 1.5km in the fastest time. Well done Jack beating all the other Year 9 and 10 students!

Arabic Course

A group of Year 7 students took part in an online Arabic course! By day 2 they were all learning how to say their names!

- WHS NEWSFLASH -

Charity Fun Run - Postponed

We have decided to postpone the "fun run" until September due to the excessive heat. Full details of the new date will be sent out in September, thank you for all the donations that have been raised so far, these will of course all still be donated to the charities.

Alan Turing - Maths Competition

In June students in year 7/8 completed a project within maths lessons on mathematician Alan Turing. As part of this project students looked at his contributions to maths/technology, his work in WWII and his background story, before completing a cryptography challenge. The challenge involved designing a coded slogan to celebrate the themes or acceptance/triumph over adversity to honour pride month. These are our winners whose work was superb and then chosen to be turned into a pride flag which will be displayed at the front of school to commemorate pride month later in the year, they also won a book prize which celebrates a history of achievements in maths. Congratulations to Elliott B, Jasmine G, Katy P and Heidi G.

Sports Day

All year groups took part in sports day last week. Great participation and support all round, fun was had by all, well done to everyone who took part, great sportsmanship was seen throughout the day! Thanks to our super PE department and staff for organizing the event!

Open Events

We were delighted to open up the school to hold open events for KS3 and KS4, it was lovely to see parents face to face and let some of our parents visit the school for the first time. We received lovely feedback from parents/carers about the events. We are also delighted to have held awards ceremonies for students in years 7-10 in school – next year we are going bigger and better at The Bolton Whites Hotel.
