

Let's Share Christmas

Our Let's Share Christmas Appeal is up and running. Team Westhoughton have donated hundreds of items already to our three amazing charities and we have had over a hundred student volunteers to be Christmas helpers. We would like to extend our gratitude again for all the donations we have received.

Chocolate oranges, we collected 490 Chocolate oranges to donate to NHS staff, thank you so much to everyone who brought one in!

Urban Outreach we donated a huge amount to Urban outreach to help them provide Christmas dinners to those who have fallen on harder times. Thank you to all who donated!

There is still a bit of time to donate any toys and presents for children to so to - **Bolton Toy Library** Presents for children under the age of 16 (in particular for ages 0-7 years). Deadline for donations is Thurs 16th December

Virtual Carol Service

This year's Carol Service is once more a virtual event which will be released on our school website and our social media channels. The service will feature readings and poems from our students, musical items from our school band and choirs, as well as an item from the Staff choir. The service highlights a welcome return to elements of performance that we couldn't do as a school last year, and it has been wonderful to see how much our students have thrived from taking part in this aspect of school life. We hope you enjoy the Carol service and wish you a safe and happy Christmas.

Well done to all the students involved and to the staff who made the magic happen!
