THE DEAN TRUST  
Ashton on Mersey School

National Teaching School  
designated by  
  
National College for  
Teaching & Leadership

Our School Direct Alliance consists of eight Secondary, two Primary, two Specialist Support Schools and one Sixth Form College. As a group we are committed to providing a high quality School Direct provision.

We have a designated ITT alliance team which consists of representatives from each of the schools and our HEI provider. The main purpose of this group is to design and deliver an innovative and creative programme and to ensure high quality school placements.

**The Ashton on Mersey Teaching School Alliance works in partnership with the University of Chester to provide our School Direct Programme.**

**We are looking to recruit talented individuals who have the qualities and attributes suited to a career in teaching with the drive and ambition to make it happen!**

**The recruitment and application process...**

Our requirements are as follows:

**Secondary:**

Maths, Science, Computing and MFL – 2:2, 2:1 or 1st class degree in relevant subject.

Other Secondary Subjects – 2:1 or 1st class degree in relevant subject.

GCSE Maths and English Language (A\*-C).

**Primary:**

2:1 or 1st class degree and 5 GCSEs including Maths, English Language and Science (A\*-C).

All candidates must also pass tests in literacy and numeracy and have prior school experience.

Applications should be completed through the UCAS website.
