

Welcome to
Westhoughton High School

Westhoughton High School

Learning today for a brighter tomorrow

How should you prepare for your first day?

We are proud to be part of Westhoughton High and hope that you will be too. We have high standards of presentation for everyone, so we expect you to look smart and come to school with all the equipment you will need.

Make sure you are wearing the correct uniform. You will also need a school bag which has room for all your books, equipment and packed lunch, if you have one.

It will help you settle in more easily and confidently if you know that you have everything you need when you arrive at school.

Do you know what the Westhoughton High school uniform is?

Do you know what you need to bring?

Learning today for a brighter tomorrow

What happens when you arrive at school?

Westhoughton High School

We know that it can be daunting starting at a new school. So, when you arrive the staff will be there to give you a warm welcome.

You will also have the opportunity to meet and talk with other students and make new friends.

The staff will guide you to your form room. Here, you will meet your tutor every morning to check how you are. They will always be there to talk to first thing every day if you ever need help or advice.

Are you looking forward to coming to Westhoughton High?

Learning today for a brighter tomorrow

What happens during the school day?

Every day, you will have tutor time and lessons, with a morning break and lunchtime. You will go to different classes for your lessons so you will soon get to know your way around the school.

We have fantastic facilities and equipment for you to use, and there are lots of exciting new things for you to learn.

You will study subjects in more detail, and if you haven't already, you will discover subjects that you love.

What subjects do you like?

Learning today for a brighter tomorrow

What do we expect from you?

To keep Westhoughton High a fantastic school to attend, and a school that you can be proud to belong to we all **Learn**.

Every student is encouraged to develop and achieve according to their abilities, aptitudes and interests and our job is to challenge and support them.

Learning beyond the classroom is also very important to the development of the well-rounded individual whether it be through sport, musical tuition or one of our enterprising activities.

We have a number of enrichment days during the year when the normal timetable is suspended and students engage in a range of different activities to develop their personal and social skills.

At Westhoughton High, we believe we are ALL learners and every opportunity should be taken to Learn.

Learning today for a brighter tomorrow

**Look after each other • Enjoy our school • Aim high
Respect one another, ourselves & our school
Never stop learning**

What other activities can you take part in?
